

Cold Water Loft Tanks

Our loft tanks are ideal for new builds or as a replacement for an existing tank. The tanks are supplied with an installation kit which is sealed inside the tank before shipping to ensure that you have everything you need on site. All you will need is copper tube.

Installation Kit Includes:

- Byelaw 30 kit and fitting instructions
- Snap on poly lid
- 1/2" BS1212 Part 2 ball valve
- 4 1/2" float
- Ball valve back plate
- 22mm Compression tank connector
- 15mm x 1/2" angled service valve
- Insulation and ties

The loft tanks are manufactured from tough and durable polyethylene and are available in a wide range of sizes.

Product Code	Capacity - Litres	Height	Length	Width
PT181212DWT	18	320mm	480mm	250mm
